cardboard box

1

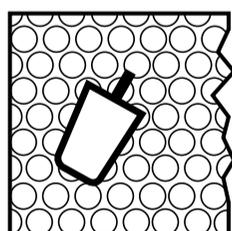

Make sure that the sofa is in the same condition as you received it.

2

If your sofa has detachable legs, please remove them

3

Wrap up each leg in a bubble wrap.

+

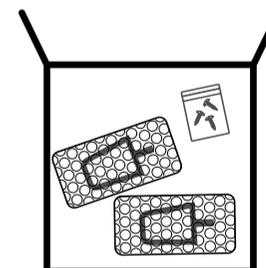

4

Don't forget to put screws in a separate transparent bag.

5

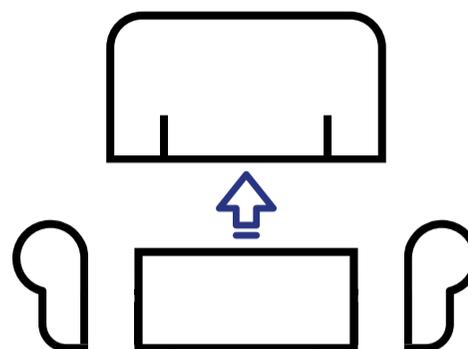

Pack all small parts in separate cardboard box.

6

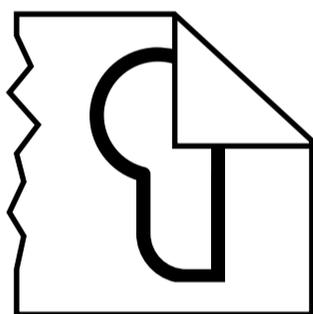

If your sofa has detachable armrests,
please remove them.

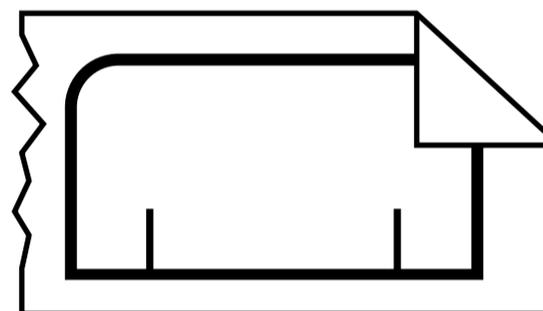

7

If your sofa has detachable backrest,
please remove it.

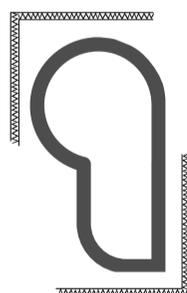

8

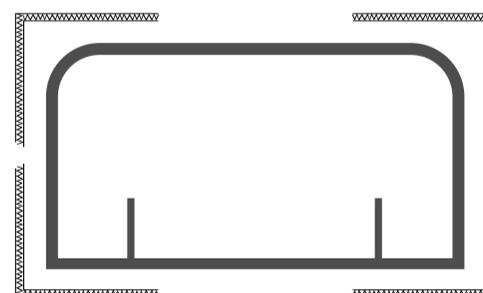

Wrap each part with plastic film and secure with the tape.

***BE CAREFUL!!!**

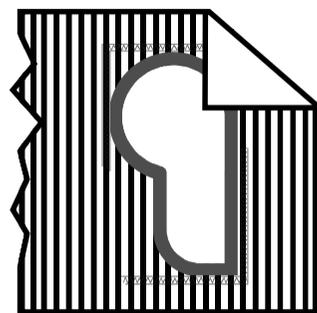

not to put the tape directly on the fabric.

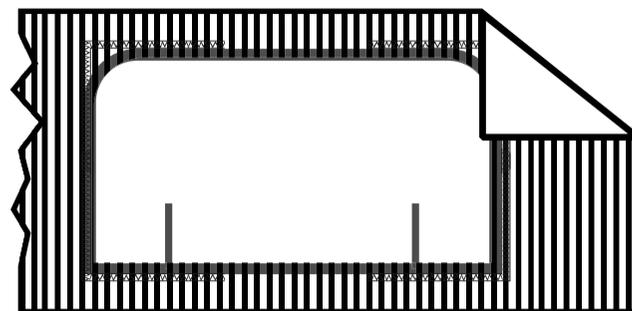

9

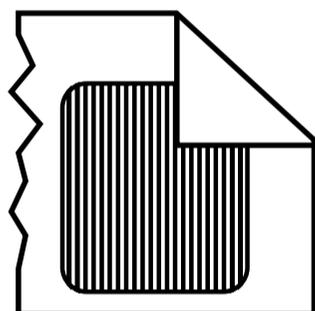

Secure all edges of sofa and detachable
parts with cardboard sheets and tape.

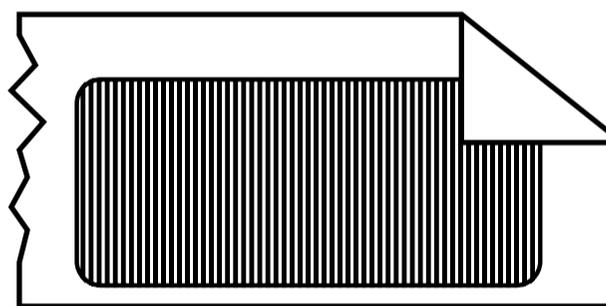

10

Wrap each package with corrugated board and secure it with tape.

11

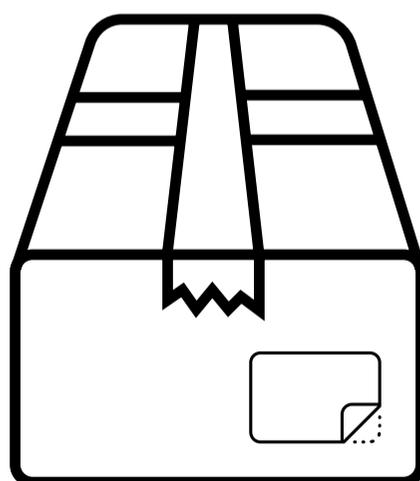

Use plastic film as the finishing layer.

➡ Make sure that each package is properly packed and secured for long journey and multi-handling

➡ Try to pack in the same way as your packages were delivered.

➡ Prepare the same quantity of packages that were delivered to you.
